NEW GENERATION TESLA LED LIGHTING

TESLA LED REFLECTOR BULB

Unique high quality ceramic or aluminum design

Made for domestic, commercial and retail lighting as a direct replacement of similar incandescent reflector bulbs. Innovative design brings not only aesthetical aspect but significantly helps to optimal cooling. This way the bulbs deliver long life maintenance free performance up to 35 000 hours.

Voltage: 230V~ IP20 Rating CRI≥80

FEATURES

- Light beam in desired angle
- Same size of original incandescent bulbs
- High efficient cooling
- Hi-power chips
- Clean and simple design
- Lifespan up to 35 000h (L70)
- Environmentally friendly - does not contain mercury or other hazardous substances

APPLICATION

- Domestic, commercial and retail lighting
- Replace for original R63, R50 reflector bulbs
